

CAREER DEVELOPMENT SEMINAR INTERVIEW TECHNIQUES

WEBINAR

PRESENTED By: WorldLink Communication

MONDAY JUNE 15, 2015. 9:00AM @ NED Video Conference Room

Final Year Students and Fresh Graduates are also Welcome

Sharpen Your Skills In...

Resume Writing Review the latest trends in technical and service industry resume development. How to write an effective cover letter that highlight your best assets to an employer.

Advanced Interview Techniques A broad range of topics will be covered in this section, including:

- Making a good first impression
- Frequently asked interview questions & topics
- What to say/What not to say
- Putting the interviewer at ease

Non-Verbal We can help you project a confident image during your interview – learn the secrets to effective posture, eye contact, and handshakes. Become an expert in reading the body language and gestures of your interviewer.

Please feel free to contact us with any questions, and we look forward to seeing you at the seminar!
