

## INDEPENDENCE DAY 14<sup>TH</sup> AUGUST

"آزادی" or **Liberty** is the biggest blessing one can have and only those people or nations who have been through bondage/oppression can understand the true meaning of this word. On August 14<sup>th</sup> 1947 a nation after oppression of about 200 years rose and established a separate country of their own. The losses and the sacrifice they had given was a pinnacle of art and will always be remembered.

NED University of Engineering & Technology Karachi, to show the connotation and importance of this day, arranged a a hybrid Panel Discussion **"75 YEARS OF PAKISTAN: ACHIEVEMENTS, CHALLENGES AND THE WAY FORWARD"**, faculty members and a number of students joined the event.

**Date & Venue:** Tuesday, August 12<sup>th</sup> 2022, NED University of Engineering & Technology

**Presided by:** Dr. Sarosh Hashmat Lodi Vice Chancellor NED University

**Moderator:** Dr. Noman Ahmed, Professor and Dean, Faculty of Architecture & Management Science (AMS) Acting Director University Advancement & Financial Assistance
