“Kashmir Day”, being a day of National importance, is observed on February 5th throughout the country. Rallies, gatherings and demonstrations are held against India for the illicit occupancy of Kashmir.

To express solidarity with the oppressed people of Kashmir and to commemorate their long term struggle, NED University of Engineering & Technology arranged a hybrid symposium **“Understanding the Kashmir Challenge” on Friday, February 4th 2022**. It was attended in-person by Chairpersons, Head of Departments, and some senior faculty members while a large number of faculty and students joined online in the event.
